Plurality county refers to the county with the largest population in the district.

It is provided solely to help identify and locate districts.

Partisan index is the Composite 2016-2020 score provided by Dave's Redistricting.

Plurality county refers to the county with the largest population in the district.

It is provided solely to help identify and locate districts.

Partisan index is the Composite 2016-2020 score provided by Dave's Redistricting.
