Hi Heather,

I attended the Dayton hearing at Sinclair Community College but didn't speak, since there wasn't any remaining time.

What I would have liked to say was:

The citizens of Ohio have voted twice in referenda to eliminate gerrymandering in both state and federal election districts. Both times the votes were overwhelming in favor of having the state divided into voting districts that in sum represent the will of the voters. We would think you have heard the message loud and clear, and will do your duty.

It is obvious by our state's congressional representation that the current map is terribly skewed. When we voted for the Democratic slate in 2012 and wound up with 12 Republicans and 4 Democrats, it is obvious how the vote is being distorted.

Let's do it right this time!

Dear Mr. Maxell:

If possible, would you please complete and email back to me a witness information form (attached) or bring a completed form to the hearing? Additionally, if you would like to submit a written copy of your testimony (which is not required), you may also email it to us in advance if you like, or a bring a copy to the hearing.

Sincerely,

Heather Blessing

What?

I was thinking that I might speak at the hearing on Tuesday.

It's a work day for me, so I won't be coming before 11:30.
