I am a grandmother in my 70s. A few years ago I stood outside our local library and other locations to secure signatures to place this issue on the ballot. I was happy to glean over 60 names.

I was proud to do this in order to assure the chance of fair redistricting in Ohio, FAIR REDISTRICTING. Let's have **FAIR REDISTRICTING**. Surely we, as Ohioans, can manage that. **FAIRNESS** being the key word. **PROUD** being another key word. Do this so that you can look in the mirror and stand tall and straight.

I have included the witness information form as scanned and attached.
