Dear Redistricting Committee:

Thank you for allowing me to have input into the redistricting and development of maps.

While it's difficult to testify in person because of employment requirements, I appreciate this opportunity.

A few things concern me.

It was stated at a recent hearing that The Voting Rights Act was NOT considered when creating the latest Republican proposed maps. The Constitution clearly states this is a violation.

Voters (after much work) passed in overwhelming numbers that WE demand a stop to gerrymandering. You can't ignore us.

I have watched as much of the redistricting meetings and testimonies as I could, and feel that the wishes of the voters are blatantly being ignored.

I'm tired of not being listened to!

Please stop the Ohio tradition of blatant gerrymandering!

Sincerely,

Thomas R. Roese
