and pursuant to Commission rules.

Please be advised that this form and any materials (written or otherwise)
submitted or presented to this Commission are records that may be
requested by the public and may be published online.

Dear Commission

I am appalled that you are considering the Huffman redistricting map which does not reflect the voting public. We voted on a ballot to bring the voting districts in line with the public representation not one party's desire. I urge adoption of the Ohio Citizens' Redistricting Commission Unity Map which represents the voting public.

Thank you.

Frank House
