Ohio Co-Chair Cupp, Co-Chair Sykes, Ohio Redistricting Commission Members:

Thank you for the opportunity to submit testimony.

I urge you to fulfill the promise of the 2015 redistricting reform and adopt the maps that were winners of the Fair District's contest or the community prepared "unity" maps submitted by Ohio Citizens' Redistricting Commission (OCRC).

All of these maps far exceed the commission's September 9 draft maps in meeting the constitutional requirements for the General Assembly maps.

Thank you
